

Forecast For Scotland
Issued by Met Office Aberdeen
at 1600 on Tuesday 26 Oct 2021

++ Valid for broadcast between 1800 and 0600

Headline:

Heavy rain in south on Wednesday. Becoming drier in north.

This Evening and Tonight:

Cloudy and mild with rain over the Northwest and Northern Isles moving southwards overnight. Rain will be heavy in the west and southwest. Drier, clearer weather following to northern Scotland. Windy.

Wednesday:

Rain lingering for much of the day over southern Scotland, persistent and heavy at times especially in southwest. Drier across the north with showers in Northwest. Mild and breezy.

Outlook for Thursday to Saturday:

Staying unsettled for the rest of the week and into the weekend. There will be showers each day and even spells of more persistent and heavier rain, especially in south.
